Martin's Private Investigations

MPI is committed to excellence in investigative services. We are dedicated to providing professional and confidential service to each client, regardless of the size of the case or firm. We treat each assignment with the same level of respect and importance.

MPI is licensed, bonded and insured. We provide service to Metro Phoenix, and throughout the states of Arizona and California.

MPI believes in building long term relationships that earn your trust. Our protocol is to consult with each client prior to beginning any investigation to identify the proper approach.

We like our clients to know what we will be doing and when we will be doing it. We are always up front with an estimate of the total cost of investigation, so there are no hidden surprises.

We Provide the Information. You Make the Informed Decision.

MPI clients are private individuals, large and small corporations, landlords, attorneys and their law firms. We are sensitive to our clients' needs. We will plan a course of action with you. We will discuss your situation, identify objectives, and create a plan that suits your individual needs.

MPI is the place to begin when you need to find the right consultant or private investigator for your project. Browse our site and have confidence when you use our services.

Your needs will be our number one priority.
