

RealWorld Firearms Training, LLC

Instructor profile

Whether it is how to handle a gun or store it safely, everything taught in one of Real-World Firearms Training's classes is grounded in decades of experience. Founder Robert Martin, has worked as a civilian and military law-enforcement officer, certified executive protection agent, licensed investigator, and he has trained and carried guns for more than 30 years.

Likewise, his fellow instructor, Andy Gates, spent six in years as a sergeant in the US Marine Corps. Both hold NRA instructor and range safety officer certifications, which come in handy during courses such as basic handgun training, CCW, or tactical shooting classes.

For training in the real world, call us at **800.617.5305** to schedule a class.

Self Defense Firearms Training

Concealed Carry Permit Class-CCW

When your life depends on your training!

800.617.5305

Thank you for choosing RealWorld Firearms Training. You are in-store for a truly unique experience, one that sets us apart from other canned CCW classes.

Our professionally taught five-hour classroom course takes an in-depth look at Arizona's laws relating to the carrying and use of a deadly weapon or firearm. Several legal topics covered are; legal justification for use of deadly force, what the law requires for "self-defense", what does the "castle doctrine" really mean, and what to do when encountered by law enforcement.

This class is designed to teach the basic knowledge and skill-set necessary for carrying the pistol of your choice safely and effectively. Topics covered include; safe gun handling, weapon selection, firearm nomenclature and manipulation, ammunition options, storage & maintenance, fundamentals of pistol shooting including; grip options, stance options, sighting fundamentals, and trigger control.

We are excited to offer a unique training experience, not offered by other classes, where each student will practice firearms handling drills with our **state-of-the-art LASER Shot Training Software System**. You will receive instant feedback on shot placement and see where the shots hit the full-sized target. This computerized training includes realistic shot sounds with a laser Glock handgun replica, in weight and design, and is an excellent way to work on shooting fundamentals.

**All students will receive pertinent law information packet and Certificate of Completion. CCW form packet is issued and on-site fingerprinting option on two DPS cards is available for additional fee.

Note: Cost of Course does not include AZ DPS Permit processing fee of \$60, which is submitted by applicant upon completion of course directly to DPS.

Classroom directions:

Rio Salado Sportsman's Club
3960 N Usery Pass Rd.
Mesa, Arizona 85207
800-617-5305

[Get Directions](#)
